Tamal-liwa/Tomales Bay

90 minute drive north of San Francisco

OUR VISION FOR FELIX FAMILY HOME

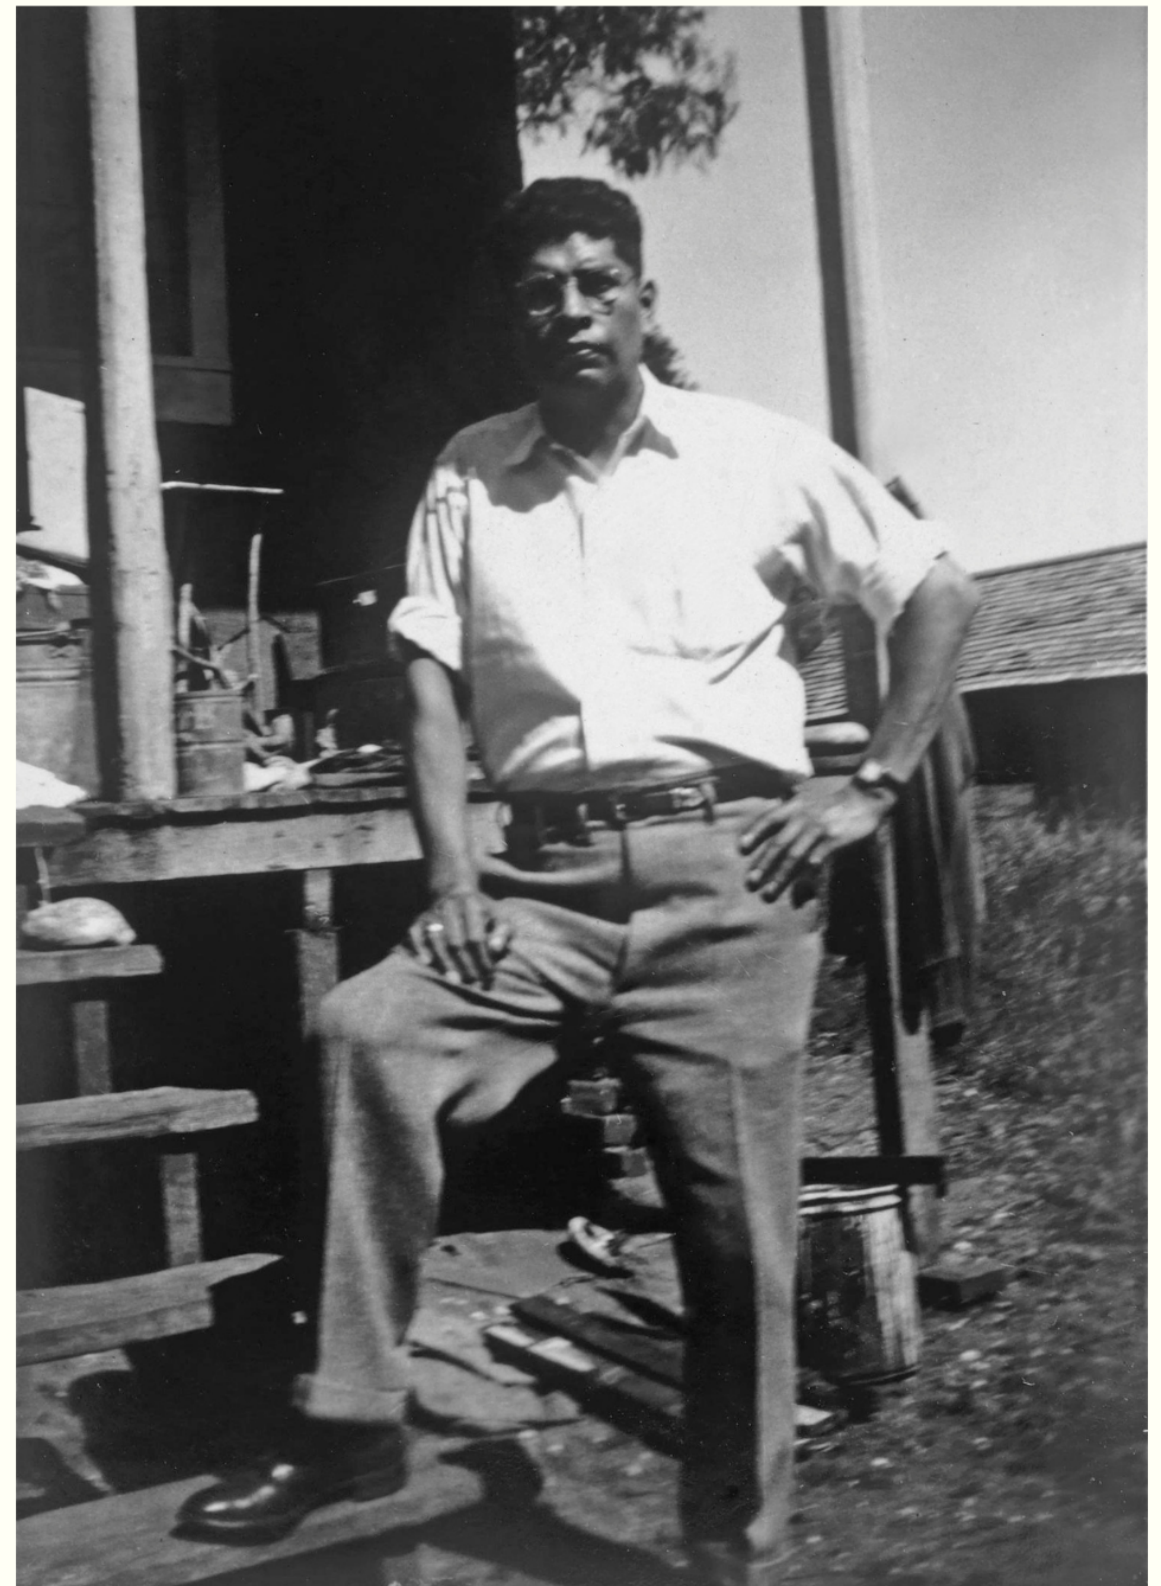

To be known an Indigenous site of resiliency embodying history, culture, science, and community.

It is a place of healing, beauty, and creativity where all peoples can deepen their relationship to Indigenous lands and ancestors.

**"THEY'RE TRYING TO TAKE MY LAND.
IT HAS ALWAYS BELONGED TO MY FAMILY.
MY MOTHER [BERTHA FELIX CAMPIGLI]
GAVE IT TO ME"**

VICTOR SOUSA, 1955
